Vinyl wrapped kitchen door/drawer price list

You may find it easier to measure your doors from the back!

All prices include Vat.

1. Non standard doors less than 246 mm wide & drawer fronts less than 130 mm high will have no inside rout!
2. For Kielder style only! The minimum height or width of door pattern is 275mm
3. A drawer front shape will be routed on items up to 250 mm high.
4. A door shape will be inset on any size above 250 mm high.
5. Doors 1735 mm high & above with routed inner panels will have a mid rail to create a top & bottom panel, exceptions to this rule are: Chester, Eclipse, Harmony, Milo, Millennium & Roma, which will have one tall panel and no mid rail is possible.
6. Millennium door style: please note that drawer fronts have no inside rout up to 250 mm high. Fretted and angled doors are not available in this range.
7. Angled doors add 20%
8. Maximum length is 2500mm on all routed items.
9. Rialto doors 1735mm high and above will have 5 equal size panels. Doors ordered as stable & angled doors will match up. All other Rialto doors below 1735mm and drawer fronts will have no panels just Premier style edge.
10. Scoop handles will be positioned top and centre on all drawer fronts and all doors to 1249mm high.
11. Doors with routed panels are not available with high gloss finishes.
12. **Horizontal** grain is available in all colours up to a maximum height of 1245mm.
13. Wave pattern will be vertical on all doors and **horizontal** on all drawer fronts as standard. Door heights 250mm to 1245mm can be made with **horizontal** wave if specified on order. When ordering please state "**horizontal grain required**" clearly
